Website Analytics

We may also partner with selected third-party vendors[, such as [Google Analytics](#), to allow tracking technologies and remarketing services on the Site [and our mobile application] through the use of first party cookies and third-party cookies, to, among other things, analyze and track users' use of the Site [and our mobile application] , determine the popularity of certain content and better understand online activity. By

accessing the Site [,our mobile application,], you consent to the collection and use of your information by these third-party vendors. You are encouraged to review their privacy policy and contact them directly for responses to your questions. We do not transfer personal information to these third-party vendors. However, if you do not want any information to be collected and used by tracking technologies, you can visit the third-party vendor or the [Network Advertising Initiative Opt-Out Tool](#) or [Digital Advertising Alliance Opt-Out Tool](#).

You should be aware that getting a new computer, installing a new browser, upgrading an existing browser, or erasing or otherwise altering your browser's cookies files may also clear certain opt-out cookies, plug-ins, or settings.

THIRD-PARTY WEBSITES

The Site [and our mobile application] may contain links to third-party websites and applications of interest, including advertisements and external services, that are not affiliated with us. Once you have used these links to leave the Site [or our mobile application], any information you provide to these third parties is not covered by this Privacy Policy, and we cannot guarantee the safety and privacy of your information. Before visiting and providing any information to any third-party websites, you should inform yourself of the privacy policies and practices (if any) of the third party responsible for that website, and should take those steps necessary to, in your discretion, protect the privacy of your information. We are not responsible for the content or privacy and security practices and policies of any third parties, including other sites, services or applications that may be linked to or from the Site [or our mobile application].

SECURITY OF YOUR INFORMATION

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security

measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.
